## INTRODUCTION

### WHAT IS LITTLE ATHLETICS?

Little Athletics is a uniquely Australian modified athletics program for children from 5 to 16 years, although some State Associations may offer age groups outside this range.

As the name suggests, it is based upon the sport of athletics (track and field). There is a wide range of events from running, jumping, throwing and walking and events are modified to suit the age, developmental stage and ability of the children.

Little Athletics promotes that it is important to “Be your Best”<sup>®</sup>. The emphasis is on fun, participation, performance, technique and getting involved with your family in physical and healthy activity. The motto of Little Athletics is ‘Family, Fun and Fitness’.

Across Australia, more than 100,000 girls and boys enjoy the activities of Little Athletics. Little Athletics is the “Foundation for all Sports”. All sports use the skills developed at Little Athletics

## HISTORY OF LITTLE ATHLETICS

Little Athletics evolved, like most voluntary community organizations, through the mind and conscience of one man. Trevor Billingham followed the pattern set by many pioneers in the field of community service. He recognized a need and introduced an idea designed to meet that need.

On an October day in 1963 three boys turned up at an athletics meeting in Geelong. They were ready to compete. On approaching an official they were told that they were too young to take part. That official was Trevor Billingham. The disappointment, evident in the boys, left a marked impression on his mind.

The thought was forgotten; it came alive again several months later. At a coaching clinic designed for secondary school students it was noted that the majority of children were of primary school age.

Reminded of his earlier experience, Trevor Billingham had an idea. The answer to the need expressed in the children would be a simple Saturday morning competition.

## HISTORY OF MELTON CITY LITTLE ATHLETICS CENTRE

Melton South Little Athletics Centre was the 96th to join the Victorian Little Athletics Association Inc.

Barry Taylor has been actively involved from the very beginning, setting up Melton South Little Athletics Club in 1969. Shortly after, other clubs were formed – West Melton Zebras, Wedge Park Comets, Coburns and Melton Greens. The Centre was formed in 1973/74 as a result of the vision of some very determined people including Barry.

In 2002/03, the Clubs merged to simplify administration by operating as a Centre only. Barry Taylor served MSLAC/MCLAC as a Competition Director for 48 years until his death in August 2017. As our Competition Director, Barry played a very large part, by planning and organizing the weekly program as well as other events for our Centre. We thank him for his endless generosity of time and spirit. The Centre is forever indebted to him and also the many other volunteers who have organised little athletics in Melton South for the past 50 years. A list of Centre Life Members is included in the handbook.

The current committee members will endeavor to ensure that the vision and determination of those early pioneers of little athletics is continue, for the ongoing benefit of the children and community of the City of Melton. In 2014 in an effort to encompass the entire community the centre changed its name to Melton City Little Athletics Centre.

On August 4, 2017, Barry Taylor passed away at his home in Melton South. He is greatly missed by all that knew and loved him.

Today we continue to honor Barry for his 48 years of dedication and support to the Centre.

3. No parents or spectators under any circumstances unless officiating will be permitted on the infield of the track.

## CODE OF CONDUCT

Also refer to the LAVic website [www.lavic.com.au](http://www.lavic.com.au) for more information guidelines.

### Officials' Code of Behaviour

- \* Compliment all participants on their efforts.
- \* Be consistent, objective, and courteous in calling all infractions.
- \* Condemn unsporting behaviour and promote respect for all competitors.
- \* Ensure that the “spirit of the game” for children is not lost by using common sense and not over-emphasising errors.
- \* Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of the participants.
- \* Publicly encourage rule changes, which will reinforce the principles of participation for fun and enjoyment.
- \* Ensure that your behaviour is consistent with the principles of good sporting behaviour. Actions speak louder than words.
- \* Make a personal commitment to keep yourself informed of sound officiating principles and the principles of growth and development of children.
- \* Avoid use of bad language.

## Parents' Code of Behaviour

- \* Encourage children to participate if they are interested. However, if a child is not willing, do not force him or her.
- \* Focus upon the child's efforts rather than the overall outcome of the event. This assists the children in setting realistic goals related to his/her own ability by reducing the emphasis on winning.
- \* Teach children that an honest effort is as important as victory, so that the result of each event is accepted without undue disappointment.
- \* Encourage children to always participate according to the rules.
- \* Never ridicule or yell at a child for making a mistake or losing an event.
- \* Remember children are involved in Little Athletics for their enjoyment, not yours.
- \* If you disagree with an official, do not question the official's judgement and honesty in public, but raise the issue immediately through the Competition Director. If any breach of this code of behaviour is witnessed, the matter should be immediately referred to the Competition Director. If necessary, penalties including suspension from attending competition may be the outcome. Remember, all officials give their time and effort freely, for the benefit of your child's involvement.
- \* Support all efforts to remove all verbal and physical abuse at Little Athletics activities.
- \* Recognise the value and importance of being a volunteer official and/or coach. They give up their time and resources to provide recreational activities for the children and deserve your support.
- Demonstrate appropriate social behaviour, by not harassing athletes, coaches, or officials, smoking on the arena or being intoxicated.
- \* Avoid use of bad language.

## Spectators' Code of Behaviour

- \* Remember that children participate in Little Athletics activities for fun. They are not participating for the entertainment of spectators only, nor are they miniature professionals.
- \* Applaud good performances and efforts from each athlete. Congratulate all participants upon their performance regardless of the event outcome.
- \* Respect the officials' decisions. If there is a disagreement, do not question the official's judgement and honesty in public, but raise the issue immediately through the Competition Director.
- \* If any breach of this code of behaviour is witnessed, the matter should be immediately referred to the Competition Director. If necessary, penalties including suspension from attending competition may be the outcome.
- \* Never ridicule or scold a child for making a mistake during a competition. Positive comments are motivational.
- \* Condemn the use of violence in any form, be it by spectators, coaches, officials or athletes. If any breach of this code of behaviour is witnessed, the matter should be immediately referred to the Competition Director, where a child is involved the Child Safety Office must be advised. If necessary, penalties including suspension from attending competition may be the outcome.
- \* Show respect for each participant. Without them there would be no events.
- \* Encourage athletes to follow the rules and the officials' decisions.
- \* Demonstrate appropriate social behaviour by not harassing athletes, coaches, or officials, smoking on the arena or being intoxicated.
- \* Avoid use of bad language.

## Coaches' Code of Behaviour

- \* Be reasonable in your demands on young athletes' time, energy, and enthusiasm.
- \* Teach athletes the rules of the sport are mutual agreements, which no one should evade or break.
- \* Whenever possible, group athletes to give a reasonable chance of success.
- \* Avoid over-coaching the better performing athletes, the "just averages" athletes need and deserve equal time.
- \* Remember that children participate for fun and enjoyment and that winning is only part of their enjoyment. Never ridicule or yell at the children for making mistakes or losing an event.
- \* Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of the athletes.
- \* Take into consideration the maturity level of the children when scheduling and determining the length of training times and competition.
- \* Develop respect for the ability of opponents as well as for the judgement of officials and coaches.
- \* Follow the advice of a physician when determining when an injured athlete is ready to recommence training or competition.
- \* Make a personal commitment to keep yourself informed of sound coaching principles and the principles of growth and development of children.
- \* Demonstrate appropriate social behaviour, by not harassing athletes, other coaches, or officials, smoking on the arena or being intoxicated.
- \* Avoid use of bad language.

## Little Athletes' Code of Behaviour

- \* Play by the rules.
- \* Never argue with an official. If you disagree, ask your Age Group Manager or a committee member to deal with the matter.
- \* Control your temper. Verbal abuse of officials, helpers or other athletes, deliberately distracting or provoking an opponent is not acceptable or permitted in our sport.
- \* Work equally hard for yourself and/or your Centre. Your Centre performance will benefit.
- \* Be a good sport. Applaud all good results whether they are by your Centre, opponent or the other Centre.
- \* Treat all athletes, as you would like to be treated. Do not interfere with, bully or take unfair advantage of another athlete.
- \* Co-operate with your coach, centre mates and other participants. Without them there would be no competition.
- \* Participate in Little Athletics for the “fun of it” and not just to please parents and coaches.

**Avoid use of bad language**

## WORKING WITH CHILDREN CHECK – WWC CHECK

### Working with Children Check

The Victorian Government through the Department of Justice has introduced the “Working with Children Act 2005,” which has distinct implications on the conduct of Little Athletics. The WWC Check applies to adults who work with children or are engaged in volunteer roles involving children (under 18 years of age). The WWC Check applicable in Victoria is the mandatory minimum standard for a range of child – related industries. The WWC Check now covers all areas of administration, officiating, coaching and overnight supervision at camps and clinics. People working or volunteering in connection with Little Athletics are now required to have their WWC Check, if they fall into one of the categories below:

- \* Region Executive Committee members.
- \* Centre Executive Committee members.
- \* Club Executive Committee members.
- \* Coaches.
- \* Officials at State and Region level – (not parent helpers whose child is participating on the day).
- \* Team Managers.

- \* Overnight Supervisors at camps/clinics/functions.

- \* Volunteers at Association run activities (not Centre events).

## PARENT PARTICIPATION & INFORMATION

Little Athletics is a family activity. This means that as parents/guardians, you are not only expected to support your little athletes as parents, but also help out in delivering the program by helping with rostered duties.

This season we have implemented duty selection during the registration process. If at anytime you are not able to cover the duty selected please contact us to reschedule your date. Please note that if you are in attendance and don't report for parent duty your athlete will not be eligible for competition points on the day.

MCLAC can only deliver its events to your children because everyone plays their part. Families are expected to fulfill duties throughout the season (or contribute in an official role). By doing so, you can help contribute to the centre that is helping your family. This also ensures your children are eligible for Centre Championships and end of season Presentation.

It is important to remember that the Centre cannot operate and provide a smooth and efficient program without the support and work that is done by all volunteers. Each week we need approximately 60 officials/parents to be able to conduct all events successfully.

The Centre does not expect any person to be an expert or to have any previous experience. You will be advised what to do and if you have any doubts, see our Committee Members, we are very willing to provide assistance and are very approachable for advice or clarification of rules. You will find quickly that the job is not as hard as you think.

**IMPORTANT ..... Please note if you opt out of mailing list emails from LAVIC, this means you will be also opting out of emails from our centre. You therefore will not receive communication such as Championship Day, and special events**

### What is expected of parents on competition days?

Little Athletics is a family activity. This means that as parents, you are not only expected to support your little athletes as parents, but also help out in delivering the program by helping with rostered duties. Other parents take on official or committee roles.

Parents are expected to assist with the successful operation of Little Athletics by carrying out duties throughout the season. Parents are also expected to behave in an appropriate manner as outlined in the Code of Conduct policies stipulated in both the LAVic in the "Parents Handbook" provided upon registration, and in this handbook.

### What is expected of athletes?

Children are expected to participate regularly in the weekly competitions. They MUST wear the correct uniform with registration patch. (Compete in at least 60% of available programs to be eligible for presentation day). They should be encouraged to try every event, even if they feel they are not good at it or it is not their favourite event. Children are expected to behave according to the Code of Conduct stipulated in both the Centre Handbook and Website.

### What about safety, insurance and first aid?

Each Centre has a safety policy and Insurance is provided by LAVic. A suitably qualified volunteer provides First Aid at the Centre. If your child sustains an injury during competition, please ensure it is reported to our first aid officer.

### Will my child receive an award at the end of the season?

All children who have participated at least the minimum number of times throughout the season (**60% of all available programs**) and athletes parent/guardian have carried out allocated parent duty during the season will be eligible to receive end of season trophies/awards.

For each weekly event that the child competes in, they receive points based on their placing and/or performance. These points are accumulated and are used to calculate end of season results. 1st, 2nd and 3rd trophies in both track and field will be presented to both boys and girls in each age group on the basis of the points system.

All other eligible athletes will receive a participation trophy.

Presentation day is held approximately 1 month after the conclusion of our Track and Field Season along with our AGM.
